

Interest in Participation in a Salem Quarter Prayer Group

Salem Quarter Worship & Ministry Committee seeks individuals willing to gather with Friends from various Monthly Meetings of the Quarter to create a prayer group. The focus and practices of that group will be developed by the group, but we do ask that they keep in touch with Quarter Worship & Ministry, to be available for intercessory prayer requests and to let us know from time to time about their experiences.

Please fill out at least the “Contact Information” section, so we can help you meet with other Friends interested in prayer groups. The “Preferences” section is optional.
